

Verbal Reasoning Example 1

1

2

To: All Staff;
Subject: Summary of Bi-Weekly Staff Meeting

Topics Covered

- End of year incident figures
- Updated regulations
- Recycling

Summary of Actions Arising:

By Monday, all current regulations seen online will be replaced by the updated versions.

A new recycling scheme will be introduced to address the rising costs associated with waste disposal. It will be trialled initially at Head Office from next week, then rolled out to regional offices in the new year. Full details to be distributed separately.

The end of year Public Incident figures will be put online on Friday and all staff members are required to assist with the internal cross checking process. Tasks will be delegated and announced tomorrow lunchtime.

1. The recycling scheme has been introduced to save money.

- True on the basis of the passage
- False on the basis of the passage
- Not possible to say if the statement is true or false on the basis of the passage

 **Abort**

 **Finish**

- Recycling

Summary of Actions Arising:

By Monday, all current regulations seen online will be replaced by the updated versions.

A new recycling scheme will be introduced to address the rising costs associated with waste disposal. It will be trialled initially at Head Office from next week, then rolled out to regional offices in the new year. Full details to be distributed separately.

The end of year Public Incident figures will be put online on Friday and all staff members are required to assist with the internal cross checking process. Tasks will be delegated and announced tomorrow lunchtime.

2. Which **one** of the following would best replace 'scheme' while maintaining the meaning of the passage?

- outline
- schedule
- plot
- programme

 **Abort**

 **Finish**

Next 

Verbal Reasoning Example 2 Answer

Correct Answer: Programme

The words "outline", "schedule" or "plot" would not make sense or change the meaning of the sentence, therefore "programme" is the only correct answer.

● Abort

● Finish
